

# CDE Diagnostic Center, Central CA

# DYSLEXIA FORUM

**1:00 – 4:00 p.m. May 18, 2018**

1818 W. Ashlan Ave, Fresno, CA 93705

**KEYNOTE SPEAKER: Kathy Futterman, Ed.D, ET/P**

one of the selected workgroup members who created  
California's Dyslexia Program Guidelines

Diagnostic Center, Central CA has provided assessment and trainings in the area of language and literacy disabilities for 35 years. The new DCC Dyslexia Forums are regularly scheduled "low to no cost" avenues for educators, parents and community members to access research, and to share innovations related to dyslexia and literacy intervention.

Kathy Futterman, Ed.D, ET/P will provide insight into the creation of the CA Dyslexia Guidelines, as well as current evidence based practices in assessment and intervention. She brings with her over 25 years experience in special education (primarily with students with language-based learning issues), and is a Dyslexia Consultant with Decoding Dyslexia, CA; an Adjunct Faculty member at CSU-East Bay in the Departments of Educational Psychology and Teacher Education; and an Educational Specialist with Mt. Diablo USD.

For information, call Jodie Dittmar, Gwen Deeter or Melanie Johnson at the CA Dept. of Education, Diagnostic Center, Central CA (559-243-4047)

**This is a free event, co-sponsored by Focus on Unity in Education; however, to attend you must register at: [fcunningham@dcc-cde.ca.gov](mailto:fcunningham@dcc-cde.ca.gov)**
